BOOKING AND CANCELATION POLICY

We know how special each and every retreat is to our guests, so we do our best to work with everyone's individual needs, wants, and circumstances. With that in mind, once the decision has been made to book a trip and you payment has been received, we stand firmly by our cancellation policy. We only have a limited number of spots, so canceling a trip last-minute impacts us greatly. Just as important is the fact that once a retreat/room is booked, that spot becomes unavailable for someone who would have booked otherwise.

Please note that a cancellation by our definition is canceling the reservation completely, the need to reschedule the dates of stay, moving dates. No partial refunds or credits will be given for unused services such as rooms, lessons, excursions, or trips. The retreat is quoted as a package; credits are not given for services not used.

If you cancel a reservation that was partially paid with a credit, this credit will not be applicable for a future reservation. (The credit is revoked)

No exceptions are made to our cancellation policy for any reason.

No refunds will be given for any reason.

Travel Insurance: If you are concerned about a financial loss due to your late cancellation it is always recommended to purchase travel insurance to avoid any kind of loss. Please consult online, with your bank or through your local

travel agency for an affordable travel insurance that could cover last minute cancellations, and / or any medical injuries that could occur while in Costa Rica.

Late/early arrival or departure: Any conditions out of our control that delay your arrival or departure may add to your cost; all extra charges caused by delays (late luggage, extra flights, or catching up with a trip in progress) or any variations from the itinerary (early departure, evacuation) will be at your expense. Another reason why purchasing cheap travel insurance is in your best interest.

Injury or medical condition during your stay: Surfing, hiking, and some of the excursions are active, with that comes with the risk of injury. In case of injury, we do not offer credits for any unused portion of the retreat. We have clinics, ambulances and hospitals and we are able to assist in case of emergency. We are not held responsible for any injuries that could occur during your stay with us. Another reason why finding affordable travel insurance is also very important.

You have until 30 days prior to your arrival to cancel your reservation and still receive a credit, less a cancellation fee. Cancellation fees are determined by the amount of notice given. Fees are listed below: If we receive notice of cancellation / date change, the following cancellation fees applies:

+90 days before arrival: the fee is \$200

89-61 days: the fee is \$300

60-31 days: the fee is \$500

Within 30 days of your arrival date: No credits or refunds of any kind

Any cancellations made from 30 days to arrival date, we do not make any exceptions on giving credits to reschedule at a later day. Once the cancellation fee has been determined, it will be subtracted from the amount you have paid us and the remaining balance will be the amount that you have to use towards your next trip that you reschedule at a more convenient time.

MEDICAL CONDITIONS & SPECIAL REQUIREMENTS

If you (or anyone on whose behalf you are booking) are affected by any condition, medical or otherwise, that might affect your or other people's enjoyment of the trip, you must advise us of this at the time of booking.

Surf, Yoga, and Adventure Retreat will do its best to meet special requests including dietary or physical limitations but such requests may not always be possible depending on the retreat, in which case Surf, Yoga, and Adventure Retreat reserves the right to refuse Clients with certain conditions.
